### MISS WILLIAMS

This year the Mascoutin is being dedicated to Miss Margaret Williams. She is currently the supervisor at Lincoln and Washington schools in Berlin.

Miss Williams has been a life-long resident of Berlin. She received her grade school and high school education here. She attended kindergarten and first three grade in what was known as the "Primary School". She attended fourth grade in the First High School, which later burned, and she attended the fifth grade in the east wing of the former Park Hotel. The Second High School was built and here she attended school during her sixth, seventh and eighth grade years. She was graduated from Berlin High School in 1909.

Miss Williams is a two-year graduate of Oshkosh Normal and after several years of teaching she went on to the University. She has a Bachelor of Science and a Master of Arts degree from the University of Wisconsin. During various summers, she has attended summer sessions at Northwestern University and Columbia University. She is a member of local, state and national teachers organizations and has the distinction of having been elected to membership in two National honorary educational organizations, namely Delta Kappa Gamma and Pi Lambda Theta.

Miss Williams has had forty-five years of teaching experience in elementary education and has taught in seventeen summer sessions. She has taught in four different cities during her career — Sheboygan, Berlin, Madison and Whitewater. In Berlin, Miss Williams taught at the West Side school, Lincoln school, and Green Lake County Normal. She was Director of Elementary Education at Whitewater State Teachers College for seventeen years. Leaving Whitewater, she returned to Berlin to teach and is now supervisor of our elementary schools.

This year Miss Williams will celebrate her 50th year as a member of the Berlin High School Alumni Association.

Miss Williams has also found time to do an extensive amount of traveling. She has visited many parts of the United States, Canada, and spent one summer touring the British Isles.

Through the years Miss Williams has often recalled the following lines from her early training:

"To be a *school keeper* requires only the ability to sit at a desk in the classroom and call classes. To be a *school teacher* requires learning, energy, enthusiasm, patience, love of your work, and love and understanding of growing youth."

### EDITORIAL

One of the most important facets of a good education is a capable teacher. Berlin High has gained recognition in the past years for its outstanding Science and Mathematics teachers.

Mr. Crow this year received a citation as the outstanding Wisconsin Science teacher. For the past three years he has been attending a Summer School in New Mexico under a scholarship from the National Science Foundation. In the past he has studied Chemistry and Biology and this year plans to study Physics.

Mr. Doll is studying Biology at the University of Wisconsin under a one year scholarship from the National Science Foundation. He is planning to return to Berlin High this Fall.

Mr. Glunn will be in Kansas this Summer studying Mathematics and also plans to spend the approaching term at the University of Wisconsin, thanks again to the National Science Foundation.

Mr. Wolff will be attending the Case Institute in Cleveland, Ohio this Summer to study Mathematics.

Miss Madeline Carey deserves special recognition for her service at Washington School for many years. She is now on a leave of absence and we hope she will return soon.

The students of Berlin High also owe their thanks to our staff of cooks who do such a fine job of preparing our noon lunch. Mrs. Kolb, who has been with the school for many years, heads the staff. Thanks Mrs. Kolb!

Thanks also to Dan Werch who retired this year after serving our school for many years as janitor.

Recognition goes to our students as well as our staff and faculty. Judy Guenther was a candidate for Little Ten Wrestling Queen, Mary Schilder was a candidate to the Ripon Invitational Track meet, and Judy Sutherland was a Little Ten Track Queen candidate this year. Miss Sutherland, in addition, received a Winnebago Homemakers Scholarship. Nelma Brey also received the Waushara County Homemakers Award.

One thing this Spring that has never been done at Berlin High School was the trip some of the students took to Washington, D.C., New York and Niagara Falls.

This year we have added something new to the Mascoutin, a calendar. Many memorable events that have occurred this year can be remembered by looking at it.

The Berlin school system was changed from a city system to a common integrated school system on March 13, 1958.

At the annual school meeting in July 1958 the present board of nine members was created. This replaced a board of 18 members that was representative of the old city-integrated system.

Under the city-integrated system the following schools were previously added: Rosebud, Warren Center, Edgemore, Joint District No. 1 (Riverside, Lilac Hill), Koro, Big Island (Pond Lily, Fox River), French, Fargoville, Spoor and Woodlawn.

The following districts have been added this year: East Island, Shead Street, Hoeft, Record, Auroraville, Meadow Brook and parts of the Towns of Warren and Leon.

Our school now serves an area of approximately 200 square miles.

## "Producer"

This is an age of crisis and startling changes. Our national security seems daily to hang in the balance, population shifting and unrest is very evident; automation and a constantly changing pattern of living is destroying jobs and creating others.

Never has it been so apparent that our future progress and security, as individuals and as a nation, is greatly dependent on the quantity and quality of the educational opportunities that we provide for our young people.

The present role of the school is almost awesome when we consider the urgency of our educational needs. Coupled with increased needs are the sharply rising costs of operating schools.

If we, in our community, want to provide good educational opportunities for our young people it will be necessary to make intelligent decisions based on facts and not on emotions.

The trend toward school consolidation is nation-wide. The Conant Study clearly shows that small educational units cannot provide the quality of training needed by our young people. A truly comprehensive program is only possible if the high school has a graduating class of at least one hundred. Classes in advanced subjects or separate sections based on ability are impossible in a smaller high school.

It is our sincere hope that our integration program will soon be completed. We will then be in a position to improve the educational program of all the children in our district.

The high school of the future will be judged by the service it will render to all the people. These limitations for service will be determined by the understanding and desires of the people of our community. We hope to give every student an equal opportunity. This can only be done by wholehearted cooperation on this urgent problem of educating all our children.

C. R. Wolf, Superintendent

## "Director"

The high school of today, if it is to keep abreast of the times, has to steer its thinking to the fast moving world that our graduates are now facing. Surely the high school can never train students to be first rate technicians, so the function of the high school is to lay a solid groundwork for our young people to build on. What it can do and should be doing is finding out the potential of every student. Then try to put each student in an environment that will develop his or her abilities to the utmost. One cannot build unless the fundamentals of math and reading are mastered. This solid information has to be placed in its proper perspective by a solid background in our social studies classes.

The program of our comprehensive high school is a never ending challenge that needs to be re-evaluated yearly, in order to make possible the best education for our youth.

C. F. Shaw, Principal

## THE NIGHT BEFORE HOMECOMING

The night before the big homecoming game and dance the annual pep rally took place. This pep rally included a parade, street dance, bonfire, and cheering.

After the parade of class floats everyone went to the high school campus. There Mr. and Miss Berlin were crowned, and the traditional tomahawk was passed. The coaches introduced the team and some of the members of the team spoke a few encouraging words.

Following the rally the Berlin Lions Club sponsored a street dance on the playground of Lincoln School.

## THE HOMECOMING GAME AND DANCE

Last Fall, the Berlin Indians were on the war path by October 3rd for a very important reason. Berlin played against Columbus and the essential victory was ours. That made all the preparations for this event worth while.

The game was followed by the homecoming dance which was sponsored by the G.A.A. and the Boy's "B" Club. The old gym was decorated beautifully and all who attended had an enjoyable time.

## CLASS PLAY

The play takes place in the apartment house of Hildegarde Hodge, a batty old woman with five old maid boarders who are also batty.

The plot begins to thicken when the youngest, only 60, is poisoned. Then the detective, in whom they all are very interested in, appears as investigator. They immediately scheme to retain his attention from a young girl reporter who is threatening to win him.

Before the curtain comes down, two more murders are committed. The villian is caught. Mr. O'Finn, not wanting any more such cases, switches to the arson squad. But what is heard in the distance — nothing else but a fire siren going to the home of the old maids.

## "Junior Prom"

QUEEN JOYCE & KING ED

With Mardi Gras decorations, the Junior Class transformed the gym into a park scene, complete with trimmed hedges, a cafe, street lights and a bandstand. The couples danced to the theme music of "I'll Remember Tomorrow" provided by Harold Ferron. A visit to the Dawn Club where Bob Mattice, Sharon Kesop and a "rock and roll" band entertained and food was served, provided a happy climax to a wonderful night.

### STUDENT COUNCIL — "Gentleman's Agreement"

Student Council is made up of members who are elected to represent their classes. The council performs services for the students by arranging transportation to out-of-town games and feeding the basketball and football players after the games. The council sells popcorn at all football and basketball games. This year they bought a new popcorn machine. Some of their activities in the past have been Organizing hall monitor system and a high school Community Chest Drive, promoting Dress-Up Days, and helping plan the Eighth Grade Days.

## SPEECH CLUB

The purpose of the Speech Club is to help its members to speak better in front of an audience and to improve their habits and abilities.

In the Spring, the students compete in speech contests. First they compete at the Little Ten Meet, then at the district contest, and from there they go to the state meet. At these meets they can compete in the field of their choosing. These fields include declamation, oration, four minute speech, interpretive and extemporaneous reading, play reading, and extemporaneous speaking.

Club members may obtain their coveted four-leaf clover by receiving an "A" rating at the district meet.

### F. F. A.

The Berlin F.F.A. is one of a group of clubs across the United States that strive to help agriculture students learn more about farming. The program covers helping them gain the qualities of leadership, and cooperation. Each year officers are elected to give the boys a chance to develop leadership. The F.F.A. program stresses the importance of earning and saving money by having a good farming program. The boys learn how to conduct meetings and each year a public speaking contest is held.

Each student carries out a farming project of his own, putting into practice the farming knowledge he has gained in the classroom. The F.F.A. puts on a successful banquet and sponsors two educational trips for the young farmers. The local F.F.A. gives two awards for exceptional achievement in the field of farming, the Green Hand and Chapter Farmer awards. Members of the F.F.A. may remain in the club for three years after they graduate or until they are twenty-one years old.

## RED 'N GREEN

Extra . . . Extra . . . Read all about it! The Red 'n Green, our school newspaper, tries to keep the students informed as to what is going on in Berlin High School. Each month the office practice room, which is the paper's headquarters, becomes a scene of chaos as the "paper must come out."

The organization is made up of members from all classes who act as administrators, reporters, typists, stenographers, artists, and many who lend a needed hand in the last minute with studenting the paper.

### GIRL'S LEAGUE — Girls! Girls! Girls!

The Girl's League consists of representatives from all classes. They are elected their Freshman year as representatives for the girls of Berlin High.

The Girl's League sponsors the Sadie Hawkins Dance, and the Little and Big Sister picnics in the Fall of the school year. They also sponsor the May Dance and the clothing drive, with competition between the four classes, is put on by this organization for the "Save the Children Federation."

### LIBRARY ASSISTANTS — "Bell, Book and Candle"

The library assistants of our High School are the bookworm set from the Sophomore, Junior and Senior classes. They aid Miss Safford, our librarian, during one of their free hours each day. The students also promote an atmosphere of good reading habits and order.

Some of their duties include checking out books, returning books to their shelves and helping other students find the information they need. All of the student body and librarian benefit from the friendly assistance they give everyone.

### SPANISH CLUB — "Casablanca"

Buenos dias amigos! If you want culture with a Spanish accent this is the club to join. They meet once a month to see Spanish movies, and eat various Spanish foods.

This year the club's advisor is Miss Wagner.

### LATIN CLUB — "Quo Vadis"

The Club was organized this year by a group of Latin students.

The purpose of the club is to teach its members more about the culture of Rome and the Latin language. They planned and attended a typical Roman dinner.

This year's club advisor is Mr. Shaw.

### THE DRAMATICS CLUB — "Hamlet"

The Dramatics Club has been revived this year. It has proved to be very successful.

It is a very active club and puts on various skits throughout the school year. The club was entered in a play contest at Beaver Dam.

It put on the Christmas program, a pep meeting, and it also sponsored a dance.

### PHOTOGRAPHY CLUB — "Man With A Camera"

Flash! There are about 30 shutterbugs in the Photography Club this year. They are taught how to operate cameras and how to take, develop, and print good pictures.

Members sell pop at the Basketball games to raise money for darkroom supplies. The club also annually sponsors a snapshot contest for the high school students.

The advisor is Mr. Crow

#### **FUTURE TEACHERS CLUB — "Teacher's Pet"**

The Future Teachers of America, with Mr. Warnecke as advisor, was organized in 1954 for those interested in the teaching profession. The objective of the members of this club is to learn the many opportunities of teaching, and to develop the qualities needed to be a good teacher. The club received its national charter in 1956.

#### **FUTURE NURSES CLUB — "Dr. Kildaire"**

The Future Nurses Club is a newly organized club this year with members from the Junior and Senior Class interested in nursing as a career. The purpose of the club is to help members find information on different phases of nursing. At their meetings twice a month, guest speakers talk to the girls and answer questions about nursing. The bluebirds (because of their blue uniforms) work at the hospital and are a great help as junior nurses aids. They also help the county nurses prepare children for shots during the year. The advisor is Miss Hunter.

The Indians started the season with some fine performances. They turned in victories against Baraboo, Horicon and Hartford. The Hartford game proved that the Indians could really roll up the yardage. Then came Cooney! The Coonies had a terrific team. The Indians hated to lose, but they knew they lost to a great outfit. This sort of threw the Indians into a slump — they lost a close one to West Bend and then dropped one to Mayville by one point. The last game of the season showed Berlin over-powering their arch rival, Ripon.

The Jayvees seemed to have that spark when they needed it. They were victorious in 5 of their 6 games. It looks as though Berlin has some fine football material for the years to come.

## VARSITY BASKETBALL

The Indians started the season playing some fine ball. They coasted into conference play by beating Horicon and then upsetting West Bend. After the upset the roof fell in. The Indians had trouble even buying a basket until the second half of the Mayville game. The tribe was back in the win column after the Hartford game but then they met two fine ball clubs in Cooney and Ripon. They finished the conference race by beating Waupun. Berlin wasn't expected to go far in the tournament, but they were stopped cold by a fired up Horicon five at the Sub-Regional in Waupun.

## CROSS COUNTRY

Berlin, in its first attempt at a state championship in Cross Country, finished second, only four points behind Milwaukee Lincoln, in the small school group. The Indians will lose a great group of runners to graduation this spring. However, the challenge is there for classes of the future to break the record of second in the state.

## 1959 WRESTLING SCHEDULE

Berlin's wrestling team had comparatively well this year considering that Berlin had only two previous years in which to build a wrestling team.

Every year it has drawn bigger crowds and this year was no exception as cheering crowds gathered at home meets to cheer their favorite wrestlers to a hoped-for victory.

High School wrestling is quite different from professional wrestling in that all pressure holds are allowed. High School wrestling is very scientific and requires a great deal of skill as well as strength.

Any illegal holds are penalized by awarding points to the opponent.

Berlin finished fifth in the 100-Ten and took third place in the second tournament.

Three boys, Jerry Johnson, Tom Jones and Gerry Lehman represented Berlin at the state meet in Madison.
